

BRIG
RIGID INTELLIGENT BOATS

FALCON SPORT RIBS

400-450-500HS – with jockey console

The BRIG Falcon Sports range – performance and convenience for the discerning buyer

The practical Falcon Sports range of RIBS features BRIG's renowned quality construction, durability and performance. Built in Europe, using world's best practices and featuring UV resistant Hypalon® tubes, the BRIG Falcon Sports range is widely accepted as Australia's leading range of RIBs. The BRIG Falcon Sports range was designed primarily as a sail training and coaching vessel. For coaches having to sit for long hours in often windy and choppy conditions the Falcon Sports offers a stable, dry and comfortable ride. These performance characteristics make the Sports range an ideal multi-purpose vessel that can be used by the entire family.
